A little bit of Christmas cheer from the Treasurer

We are making meetings cheaper for you next year.

Ever mindful of the financial pressures many of you are suffering and the difficulty some are having in finding the price of a Morris Ring Meeting, we've decided to offer each national meeting a contribution towards its fixed costs. Initially we were only going to do this for the ARM in order to encourage more of you to come, enjoy the weekend and participate in our annual meeting. You'll see that the price of this year's ARM has been cut from £79 to £73 as the cost of the venue will now be paid for out of central funds. However we've decided not to stop there but to make a similar offer to the host sides of the 2013 national meetings. This will enable hosts to cut around £5 from the attendance price.

So far so good you say - when did the Treasurer ever give anything away - where's the catch? Well normally hosted meetings are designed to break-even, with the Morris Ring covering the cost of any unforeseen disaster or receiving the benefit of the weekend's collection. What we would like to do, for an experimental period this coming year, is to ask you all to do your bit to ensure that the collection is as good as can be so that we can recoup the cost of the subsidy. Engage with the crowd and make sure nobody misses out on the opportunity to join in with the luck of the Morris by putting

something in the hat; that way the great general public will help pay for part of your ticket.

Hartley collected nearly £800 at their meeting this year and I've heard of others seeking to beat that in 2013. If it all works out well, by this time next year, we'll review the subsidy and continue keeping down the cost of your attendance at hosted meetings.

Morris Ring Membership Renewals

A small number of sides have yet to renew their membership subscription to the Morris Ring for 2012/13. Should your side find that its subscription is still outstanding and you wish your side to remain members of the Morris Ring and enjoy the Public Liability insurance which comes with membership, then please complete your renewal form and send it with your subscription at the post 30th November rate to the MR Treasurer me.

If you do not have a form, please e-mail the Treasurer and he will send you another. If you would like to avoid this problem next year and save your club £10 then set up a Bank Standing Order to:

[The Morris Ring HSBC 40-41-44 31276018.](#)

Please reference it with your side's name.

If your side does not wish to renew its membership for any reason or is having difficulties doing so then please let the Treasurer know.

Children in Need: The Joint Morris Organisations Appeal

I'm pleased to report that the current balance of the JMO account is **£6,945.52** (up to 18th December 2012) and Morris Ring sides are well represented. Top of the list is Leicester with £530 followed closely by Wessex with £485 but Harthill is threatening to beat both these figures over the festive season with the collection from their Mummers play. Plans are afoot to make a publicity splash in the New Year after any other seasonal donations are received.

2013 Meetings under the auspices of the Morris Ring

Please remember that for 2013, with the onus being with the host sides and with two overseas meetings, application to attend any of these events needs to be made directly to the host side.

Please copy the Morris Ring bagman (bagman@themorrisring.org) into applications - simply so that the officers of the MR have some idea of who is going where.

A reminder of what is on:

Jigs Instructional January 18th - 20th 2013

The Jigs Instructional endeavours to inspire the confidence and ability to dance Cotswold Morris Jigs by giving a good basic grounding followed by detailed instruction. There are parallel streams simultaneously, one for the relative novice and the other for the experienced dancer, plus some sessions for beginners covering the basics of the Cotswold dance.

The traditions will be Bampton, Bledington, Fieldtown, and Sherborne, on the Saturday, with selected jigs from other traditions being worked on during Friday evening and Sunday morning.

Cost £44 per man, discounted for Ring Member club delegates who are attending for the first time (£10) or who attended for the first time last year (£5). The Ring Treasurer will send the appropriate subsidy to your club for those eligible *after the event*.

For your money you will receive indoor camping, including showers, food from Friday supper to Sunday lunch, beer for the Feast, instruction, good company, and a pub that's never heard of closing time. *The event is open to the other Morris organisations but restricted to male dancers. We accept dancers at all levels from beginners to advanced.*

Cowboy Builders (Channel 5) On Thursday, 6th December 2012, the victim was former Standon Morris Man - Michael Snow.

"In late May, Bedford Morris Men were asked to help out; after the producers noticed his wedding photo which showed Morris Men with an arch of sticks outside the church and thought a similar "surprise" should be staged. After hiding round the corner, we made an arch of sticks when they came out to greet friends, and we then danced for them. Whether anything escapes the cutting room floor, remains to be seen!! We expect that our contribution

will be whittled down to a few seconds at most - probably where I go wrong in the Lichfield Hey on the steep uphill incline!!

Still, he got his bathroom and study finished; we had a "fun" afternoon, with the inevitable hanging around, for a possible moment of glory."

John Frearson Archivist, Bedford Morris Men,

Martin Harris, Hartley Fool RIP

It is with deep regret that I have to announce the passing of Martin Harris, Hartley MM's Fool, whose jovial spirit left this mortal shore shortly after 8am on 23rd October.

Martin was a very colourful character, always cheerful and popular with both audiences and the Morris fraternity. He will be sadly missed.

Reminder: Morris Ring Display Boards: Available for you to borrow.

We have five sets of these boards - please contact any of those listed below if you have an event coming up where you can make use of a set. Please give as much notice as possible to allow time to sort out collection / delivery. Ideally we need to use friends and colleagues passing through rather than expensive courier services.

They exist simply so that you can borrow them to help educate the public, publicise the Morris and are invaluable at recruitment events.

*Please note that they are **NOT** suitable for outdoor use*

Julian Pilling RIP

Julian was a member of Manchester Morris Men, then left them to form the Colne Royal Morris. He did some collecting in and around Colne and Nelson in Lancashire - social dances as well as Morris. He also had a folk dance band and was respected for his research into historical dance. He passionately believed that the north-west Morris should be danced in the NW and by men, rather than women. Not always a popular stance to take! He died a few days before his 90th birthday.

The Dancing England Rapper Tournament (DERT) is being organised by Ryknild Rabble and the date for the weekend is the 8th to 10th March 2013, with the competition taking place on the Saturday.

For those of you that are not familiar with DERT, it is a rapper dance competition, with the judging taking place in the natural environment for rapper - in the pub. During Saturday, the teams will perform in five of Burton's finest hostelrys, all a short distance from each other and the combined scores will be used to find the winners in each category.

During the day on Saturday, the Town Hall is also the venue for the Junior and Youth competitions, known as DERTy and the Traditional competition for teams performing a rapper dance based upon one of the collected dances.

On Saturday evening all the teams will gather in the Town Hall and each perform their dance in the 'Showcase' spot and then there will be the announcement of the results and awarding of the trophies.

For information on entering a team or coming along to spectate please visit the web site: <http://www.DERT2013.org>
