Greetings All.

You will have already received information about and application form for attending the 2015 ARM on Sat 7th March. This is being hosted by Uttoxeter MM and bagged by Mac McCoig. Huge thanks to them and to Mac, Pete Simpson and John Edwards for stepping into the breach.

I have already heard criticism because this only being a one day event with the meeting on the Saturday with a Feast in the evening with overnight accommodation for those who want it. I appreciate that this is a change from what had become the 'traditional' whole weekend but it proved difficult, no impossible, to find a side that was prepared to take on the task of hosting the event - with the associated and increasingly difficult task of finding appropriate accommodation and catering at an acceptable price. So I have to say to the critics please seriously consider volunteering along with your side as hosts for 2015, 2016, etc. as we currently have no hosts or venues for future years.

The nomination date having passed and having only received one nomination for the post of Bagman of the Morris Ring I can reveal that Jon Melville is likely to take over from me in the Spring. There will be a period of 'handover' and I will 'dance out' at the Thaxted meeting. I hope that you will be as supportive of him as you have of me over the past ten years.

Jon was nominated by Harthill Morris whose Statement of Support is on the next page.
Nomination of Jon Melville for Bagman of the Morris Ring

To say that Jon Melville is steeped in Morris tradition is a massive understatement. His father, an eminent Morris musician; father-in-law, Past Squire and Past Bagman of the MR; brother-in-law, incumbent Squire of the MR; wife, Morris musician; son and daughter, both dancers and Squires of their respective sides. Not only can Jon rely on huge family support but the two sides with which he dances are renowned for the excellence of their organisational ability and both have pledged backup for him whenever needed.

Jon’s own experience in Morris Management is profound. He has served as Squire and Foreman of two sides and Bagman of one. An accomplished musician and sublime dancer, he will be determined to encourage all sides and individuals to maintain the highest standards of dance, music and Morris image.

His vocation as college lecturer underlines his communication and presentation skills. As department head he is well-used to managing time, people and resources. In this age when much of a Bagman’s function is conducted from a computer keyboard, Jon has all necessary experience as the PC is the everyday tool of his trade.

Harthill has always found Jon to be pleasant, intelligent, dedicated and approachable. These inherent attributes will serve him well in the position.

Filling the boots of the retiring Bagman will be a daunting task. A hard act to follow but we are confident that Jon will bring strength in depth to the role and we urge clubs to support his candidature.
Jon says of himself
“I began dancing at age 11 with the Derby Morris, following in my father’s footsteps, and followed him as a musician at age 16. I have subsequently danced with, and played for, Derby Morris, my university team, Dolphin Morris, Anker Morris and East Suffolk Morris. I am also an honorary member of Cambridge Morris and play for First Class Stamp Appalachian, a Federation side.

All of those teams take pride in the quality of their dancing and I have always endeavoured to dance with vigour and precision. They also all have a strong Fellowship aspect, being welcoming, friendly and inclusive. I have served as Foreman with two clubs and Squired two, and have been involved in the organisation of significant Ring events on several occasions: I am currently on the organisational committee for the Anker Ring Meeting for September 2015.

I had an excellent apprenticeship as a musician and have always endeavoured to play sensitively, to the dancers, on piano accordion, English concertina or melodeon. I was honoured a few years ago to be invited to become a regular musician for the Ring Jigs Instructional.

I have a great love for English tradition and the position and role of the Morris, and of the Fellowship aspect of the Morris and the Ring. I am a strong advocate of good quality dancing and of entertaining performance. The “day job” involves lecturing and managing academics, so I am both well versed in effective communication and experienced in herding cats.”
**Morris Ring Squire’s Diary:** Since I took on the mantle of Squire I have enjoyed a number of really pleasant events. These shall be detailed fully in the forthcoming Circular. Looking forward to 2015 the diary is filling up rapidly! Many thanks to all those clubs who have sent invites I am so grateful for these, it’s just a shame I cannot physically be in all places at once; please accept my apologies if I am unable to attend this time but perhaps in the future I can enjoy your company.

Currently my diary for 2015 is as follows:

- January 10th Bullockers Day in Hinckley
- W/E of January 17th Jigs Instructional
- January 31st Ripley Feast
- February 7th Leicester Feast
- February 8th JMO AGM

**Morris Ring 2015 Annual Reps Meeting**: Attached is the application form for those planning to attend the Morris Ring 2015 Annual Reps Meeting. Whilst you have known the date for many months we have only recently been able to coerce a ‘committee’ to source an appropriate venue within a reasonable budget and to host the event. I want to record here my thanks to Mac McCoig, Pete Simpson (West Midlands Area Rep), Peter Copley and John Edwards and their sides for their research and especially to Mac McCoig of Uttoxeter Morris Men who ‘volunteered’ to act as Bagman for the meeting.

The 2015 ARM will be held at Oak Farm Hotel, Watling Street, Hatherton, Cannock, Staffs’ WS11 1SB (Handy for the M6). It is a one night (Saturday) ARM. I repeat that it has proved to be extremely difficult to find appropriate accommodation (both for the meeting and sleeping) within anything like a reasonable budget. We appreciate that this will mean an early start for many on the Saturday morning but it will save you money.

Please send Application Forms, along with cheques payable to Uttoxeter Morris Men to Mac McCoig whose address is on the form. He is the Bagman for the event.

*Apologies for non-attendance or enquires concerning the business of the ARM please address to me, the Bagman of the Morris Ring, please.*

Please do not confuse this with the Joint Morris Organisation - Personal Accident Cover. This is exclusively for dancers and musicians who are members of a Morris side which is in turn a member of the Morris Federation, the Morris Ring or the Open Morris. (Cover for 2015 with Chubb Insurance Co. of Europe S.E.)

The 2015 Application Form is included with the Printed version of this Newsletter and is available on the Morris Ring Web Site. The deadline is 16th January 2015.

Please remember that if any person in your side wishes to receive their own personal copy of either the Morris Ring Newsletter or Circular, please contact the Treasurer for the 'Individual Publication Subscription' form.
Changes to The Morris Dancer

You will be aware that *The Morris Dancer* is no longer produced as a hard copy and is only available as a PDF download from the Ring website. To formalise this status as a serial e-publication, I requested and have been assigned the ISSN number 2056-8045 and this will appear on the front cover of all future copies as *'The Morris Dancer* (Online) 2056-8045*.

The ISSN number uniquely identifies a title regardless of language or country in which published, without any further bibliographic description being necessary. The ISSN itself has no significance other than the unique identification of the serial.

Now that *The Morris Dancer* is 'above the radar', as it were, the Morris Ring, as the publisher is now required to lodge copies with the British Library. By law, a copy of every UK print publication must be given to the British Library by its publishers, and to five other major libraries that request it. This system is called 'legal deposit' and has been a part of English law since 1662. From 6 April 2013, legal deposit covers e-books, e-journals and other types of electronic publication, plus other material that is made available to the public in the UK on handheld media such as CD-ROMs and microfilm, on the web (including websites) and by download from a website.

I shall therefore be depositing copies of *The Morris Dancer* as required, since I have no wish to see the Squire of the Ring carted off to the Tower in chains, but then again.....

The next issue of *The Morris Dancer* is due to be published in March 2015.

All submissions gratefully received.

Youth fund
A special thank you to all the sides who answered our appeal and made a donation to the Morris Ring Youth fund, in particular Mayflower, Green Man’s, Peterborough, Thames Valley, Kemps Men and Thaxted. The fund now stands at over £1,500.
If your side has ideas for a Youth-focused initiative please contact the Squire.
Children in Need.

Please remember that the three Morris Organisations’ charity is BBC Children in Need.

The total raised so far this year by member sides of all three organisations (on 9th December 2014) is a rather disappointing £1,150

But your side might be amongst those who have yet to pay in their collection / donation.

It is planned that the monies raised in 2014-15 will be presented to a representative of Children in Need at the National JMO Day of Dance on Saturday 18th April 2015 hosted in Bristol by Rag Morris on behalf of Open Morris.

We encourage every team or side in the country to see if we can raise £10,000 over the year.

344 Helmond 80th Anniversary Ring Meeting will be a traditional Ring Meeting with tours and shows on Saturday and Sunday.  
Information on [http://morrisdans.nl/helmond/ring.html](http://morrisdans.nl/helmond/ring.html)

29th-31st May  
**345 Thaxted Morris Meeting**

The meeting is taking shape already with Cotswold teams from Cambridge, Leicester, London Pride, Victory, Whitchurch and of course Westminster. We have clog in the shape of Chester City, border with Silurian and overseas visitors from Perth who will be dancing into membership of the Ring. We have invited a couple of Sword teams and I have high hopes for at least one of them to attend.

The 2015 meeting will follow out traditional pattern: Friday night meal and informal dancing, singing and music around the pubs.

Saturday tours round the wonderful countryside that this part of Essex provides with a cooked lunch at one of the many real ale pubs that circle Thaxted. We will even try our best to avoid Greene King pubs!

There will be the usual display in Town Street by the Guildhall following the procession from each end of town before we head off for the feast. Because there is a second show in Town Street commencing at approx. 9:30 the speeches at the feast have to be restricted. This second show will, as always, culminate in the Thaxted’s version of the Abbots Bromley horn dance.

On Sunday we dance in the churchyard after the service and before a buffet lunch in Bolford Street Hall.

For those who do not have to rush home and wish to stay a little longer, there is Morris and country dancing in Margaret Street Gardens just like there used to be in the vicarage many years ago.
Remember, many of you will have been before, but I’m sure there are other members of your teams who have still to experience the uniqueness of a Thaxted weekend. So please consider them when deciding which meeting your team wishes to attend in 2015.

Any team, or individual, who wants more information, or any Bagman wanting to book their team into the meeting should contact the meeting Bagman at iandbanderson@btinternet.com

Bagman of the Morris Ring
A Regional Joint Morris Organisation Day of Dance
hosted by the Hartley Morris Men
will be held in Tonbridge in west Kent on Sunday 12 July 2015

Morris and sword sides are invited to apply for this day of dance which is being held in conjunction with the 9th SIBA South East of England Beer Festival. The festival is being held in the grounds of the Tonbridge Juddians Rugby Club, (TN9 1HR), which is located behind Tonbridge Castle and close to the Railway Station and High Street with its pubs and restaurants.
The Hartley MM will hold a meeting for Morris Ring sides on the previous day. As the beer festival runs on into the Sunday it is seen as an opportunity to break new ground and invite other sides to join us for a second day of dance.
It is intended to dance at several sites around the town, possibly including Tonbridge Castle lawn as well as at the beer festival. Dancing will commence at 11.00 am and continue into the late afternoon. There will be a massed show at a suitable location at some point during the day.
At this stage we wish to bring the event to the attention of all sides within a 30 mile radius of Tonbridge plus those Kent sides whose base lies further afield. It is important that as many of the traditions as possible are represented and also to ensure a fair distribution of sides from each of the organisations. It is hoped to accommodate approximately 15 sides in all but it may not be possible to accept all the sides wishing to attend.
There will be no charge for this event and those attending will need to make their own arrangements for lunch, etc.
Further details will be posted as the arrangements are firmed up. At this stage it would be appreciated if sides interested in attending could register their interest with me as soon as possible and at the latest by 1 January 2015.
